We invite you to join us for a fun-filled day of networking and challenging golf in support of our mission as the non-profit arm of Bethany Baptist Church.

Proceeds from this event will benefit the Freedom School summer academic enrichment program, which is a six week curriculum based summer literacy program that focuses on heritage, social action, community and parent involvement.. Your support will enable us to address the summer reading loss experienced by many students, in a safe academic summer experience while instilling the Freedom School's theme, "I can make a difference," in our students.
